Self-Guided Walking Tours

The Preservation Alliance's new, self-guided walking tours of three Philadelphia historic districts make it easy to visit, whenever it's convenient for you and at your own pace.

The **Rittenhouse East** and **Rittenhouse West** tours explore the rich architecture, including many buildings by prominent 19th- and 20th-century architects, in the neighborhoods that comprise the city's Rittenhouse-Fitler Historic District. The **Girard Estate** Historic District tour visits a rare, planned community of great architectural distinction in South Philadelphia.

Scroll down to download and print an easy-to-follow pdf tour, or hit the streets with your web-enabled cellphone or handheld device and follow our interactive version as you go!

Each tour includes a neighborhood history, easy-to-follow map and photographs and description of each building along the way.
